

FINANCIAL COACHING

Get Organized – Get Clarity – Take Control of Your Life!

“I love working with individuals so they can take control of their lives financially, and grow their wealth.”

Taking financial responsibility = Financial Success

Do you have a plan? What is a plan? It is a series of goals, with a road map of how to accomplish them.

FINANCIAL COACHING SESSIONS ACCOMPLISH:

- Spending Analysis
- Creating a working Budget
- Putting Debt Reduction Strategies in place
- Building a strong Financial House
- Identifying Short & Long Term Goals
- Putting these goals into a financial context
- Creating a Plan to meet your goals.

AS YOUR FINANCIAL COACH, I WILL:

- Motivate You
- Help You to Identify Your Goals
- Empower You
- Bring balance in your life so that you will be more in control!

“Anne is like the “Till Debt Do Us Part Lady on TV”.

You don't need a lot of money to be wealthy. You **DO** need to take care of your money by managing it properly.

Your first session with Anne Chambers is complimentary.
